November 2025

Dear Patients and Friends,

I hope this message finds you in good health and spirits. I wanted to inform you I will be retiring from Idaho Urologic Institute (IUI) effective December 24, 2025. It has been a privilege to care for you and be a part of your healthcare journey.

It has been an honor to have you as my patient and share in your healthcare. I have gotten to know a lot of you as more than patients throughout the years. It has been a pleasure to help you through trying times and I hope I have helped to improve your quality of life. Thank you for placing your trust in me for your urologic care.

Upon my departure, please know my partners at IUI will continue to provide excellent urologic care for you and your family. If you would like to know more about the physicians at IUI, I would encourage you to check the IUI website (www.idurology.com) under the "Providers" tab. This will give you information regarding the background, education, specialty, etc., of each provider. You can also give the office a call at (208) 639-4900.

Please know your medical records remain confidential and are safely on file at IUI and are available upon request, as per federal law.

Again, it has been my pleasure to have been involved in your medical care. I wish you good health and happiness.

Warmest regards,

Cynthia Fairfax, MD
